

# SUMMER IS COMING...

## THIS IS A REMINDER!

Under OSHA Laboratory Safety Standard,  
29 Code of Federal Regulations (CFR) 1910.1450,  
Appendix A, Section E.1(i):

**“Personal apparel: confine long hair and loose clothing. Wear shoes at all times in the laboratory but do not wear sandals, perforated shoes, or sneakers.”**

We recommend that laboratory personnel do not wear shorts, skirts, contact lenses, or nylons in the laboratory environment.

Laboratory coats should always be worn when working in the laboratory.
