## **Laboratory Declaration of Non-Possession of Select Agents**

Please review the list of select agents and toxins provided at the following link:

<http://www.selectagents.gov/Select%20Agents%20and%20Toxins%20List.html>

If any of these substances are used or stored by your laboratory in any amount, please contact the EH&S office at 617-432-2762 with the name of the agent and the amount being stored/used in your laboratory.

If no select agents are being used or stored by your laboratory, please sign and date the Declaration of Non-Possession below.

**I certify that this laboratory does not use or possess any substance named on the HHS and USDA list of Select Agents and Toxins.**
